

SK Delivery Line Accessories

for low to medium average delivery pressures up to 130 bar

Putzmeister

Manual Hydraulic Gate Valves 2/2 SK 130 bar

- Leakproof and lasting shut-off of one delivery line
- Hydraulically supported manual actuation
- No external energy supply required

Illustration similar

Description	Part no.	Weight	Pressure	Line Ø	Coupling
GVHM 2/2 SK 125/5,5 130	524087	75 kg	130 bar	125 mm	SK 5,5Z HD

Hydraulic Gate Valves 2/2 SK 130 bar

- Shut-off of one delivery line
- Hydraulic switchover
- External energy supply and control
- Electrical switchover detection EC (optional)*

SK Delivery Line Accessories

for low to medium average delivery pressures up to 130 bar

Putzmeister

Hydraulic Diversion Valves 5/2 SK 130 bar

- Selective charging of two delivery lines
- Shut-off of one delivery line
- Additional capability of connecting wash-out adaptors
- Hydraulic switchover
- External energy supply and control
- Electrical switchover detection EC (optional)*
